

## **AREA HOTEL / MOTEL INFORMATION (COASTAL HUNTS)**

### **NEW BERN, NC (recommended for late season hunts):**

New Bern is a mid-sized, waterfront city (Neuse & Trent Rivers) with most major hotel chains and restaurants. 24 hour shopping is available at Wal-Mart for any last minute needs. It is conveniently located within 30 to 40 minutes from most of our coastal hunt locations.

### **ORIENTAL, NC (recommended for late season hunts):**

Oriental is a small coastal community located on the Neuse River. It is also well known as the sailing capital of the Atlantic Coast. Accommodations are excellent and affordable. Dining at M & M's is fantastic and it is located within 30 minutes of all our hunting locations. After hours shopping is limited.

### **BEAUFORT, NC (recommended for early season teal hunts):**

Beaufort is a small, beautiful waterfront community just off the Atlantic Ocean. It is famous for Blackbeard the pirate, and the wild ponies of Shackleford Banks. It is the classic “tourist trap”, but accommodations are excellent and fine dining is available. It is right across the bridge from Morehead City – which has more moderate dining and shopping selections. It is also close to our launch location when hunting the Neuse, but is close to an hour’s drive when we’re hunting Pamlico and Beaufort County areas.

### **MOREHEAD CITY, NC (recommended for early season teal hunts):**

Morehead City is a small waterfront city and home to the Big Rock Blue Marlin Tournament. It is also regarded as “Fisherman’s Paradise” being located less than 40 miles from the gulf-stream as well as excellent inshore fishing opportunities. It is also home to several members of our guide staff. In addition to the hotels listed, there are several inexpensive hotel choices available in town. There is also several stores catering to hunters (Dick’s, EJW Outdoors, Wal-Mart) and from cheap-to-high dollar dining choices. It is an easy drive from our Neuse hunting location, but approximately an hour from our Pamlico and Beaufort County areas.
